

### **Community:**

#### **Financial**

What sorts of funds are used to pay for projects within your community? (Examples: Taxes, Grants, Donations)

#### **Political**

Who serves as leaders in your community? (Examples: City Council, Chamber of Commerce, Civic Groups)

#### **Social**

Are there opportunities to gather as a community? (Examples: Festivals, Games, Community Dinners?)

#### **Human**

What entities, organizations or tools are present that help address human needs? (Examples: Health Clinics, Schools, Childcare, Grocery)

## **Cultural**

Are there specific cultural functions or markers that detail the cultural heritage of the community? (Examples: Festivals, Statues, Signage)

## **Natural**

Are there areas of natural beauty or opportunities to be outside to enjoy nature? (Examples: Lakes, Walking Trails, Gardens)

## **Built**

What is the state/appearance of buildings or other infrastructure? Are there signs of special care or upkeep? (Examples: Downtown Buildings, Sidewalks, Signage, Wi-Fi)

**Are there any areas of overlap in Capitals that you see?**

**If there is a Capital missing, do you see opportunity to develop in that missing capital area?**

**What do you think would happen if a Capital asset in your community was not maintained?**
